SURESH PATIL

ELECTRICIAN

suresh.patil@example.com • +91 90000 12311 • Nashik, India

PROFILE

ITI-qualified electrician with 5 years of experience in house wiring, commercial installations and motor maintenance. Holds a wireman licence and ITI electrician trade certificate. Completed wiring for 60+ flats, repaired motor and panel faults quickly, and worked safely with no electrical accident. Looking for an electrician position in a construction company or factory maintenance team.

EXPERIENCE

Electrician, Sahyadri Constructions Pvt Ltd — Feb 2022 – Present
Nashik, India

- Wire flats and commercial units, including conduit, switchboards, MCBs, earthing and light fittings.
- Completed wiring for 60+ flats in 3 buildings, passing all inspections on the first visit.
- Read wiring drawings and prepare material lists, which helped reduce wastage of cable and conduit.
- Test circuits with a megger and multimeter and fix faults found during final checks.
- Follow lockout, switch off and PPE rules, and guide helpers on safe work.

Maintenance Electrician, Northwind Auto Parts Pvt Ltd — Jan 2020 – Jan 2022
Ambad MIDC, Nashik

- Maintained 3 phase motors, contactors, starters and control panels on a small manufacturing line.
- Attended breakdown calls and restored most machines within 2 hours.
- Replaced worn bearings, belts and wiring, and kept a simple repair log for each machine.
- Helped the electrical supervisor in the monthly preventive maintenance round.

Electrician Helper, Kestrel Electricals — Jun 2018 – Dec 2019
Nashik, India

- Assisted senior electricians on house wiring and fan, geyser and inverter installation.
- Learned cable dressing, joint making and safe use of tools.
