PROFESSIONAL SUMMARY

Registered pharmacist with B.Pharm and 3 years of experience in hospital and retail pharmacy. Accurate in dispensing, prescription checks, inventory and drug counselling. Registered with the Telangana State Pharmacy Council, careful with look-alike sound-alike drugs, and focused on patient safety and clear advice at the counter.

REGISTRATION AND CERTIFICATIONS

Registered Pharmacist, Telangana State Pharmacy Council, Telangana State Pharmacy Council — Sep 2021

Basic Life Support (BLS), Indian Resuscitation Council — Feb 2023

Good Pharmacy Practice and Inventory Management Workshop, Indian Pharmaceutical Association — Nov 2022

WORK EXPERIENCE

Hospital Pharmacist, Sahyadri Multispeciality Hospital — Jan 2023 – Present
Hyderabad, India

- Verify and dispense 180 to 220 prescriptions a day for inpatients and discharge, with a documented error rate below 0.1%.
- Spot interactions and dose issues and call prescribers, preventing about 15 potentially harmful orders a month.
- Manage a stock of 1,800 items with FEFO rotation and cut expiry write-offs by 28% in a year.
- Counsel patients on insulin, inhalers and anticoagulants at discharge for 20 patients a week.

Retail Pharmacist, Medilife Pharmacy — Oct 2021 – Dec 2022
Hyderabad, India

- Served 90+ customers a day, checked prescriptions and handled schedule H and H1 drug records as per rules.
- Reordered fast-moving items weekly, keeping stock-outs below 2%.
