# Sneha Iyer

QA Tester

sneha.iyer@example.com • +91 90000 12306 • Kochi, India • LinkedIn

## PROFILE

QA tester with 2 years of experience in manual and automation testing of web and mobile apps. Wrote 400+ test cases, caught 150 defects before release and automated regression checks with Selenium that saved 10 hours per sprint. Careful with detail, clear in bug reports, and comfortable working with developers in agile teams.

## EXPERIENCE

**QA Tester**, Bluewater Software Solutions — Feb 2024 – Present
Kochi, India

- Wrote and ran 400+ test cases for a booking web app and its Android version.
- Reported 150 defects with clear steps and screenshots in Jira, with 92% accepted as valid.
- Automated 60 regression tests with Selenium and Java, saving about 10 hours every sprint.
- Tested REST APIs with Postman and caught 18 data errors before they reached users.
- Joined sprint planning and demos, flagging risks early in each release.

**QA Intern**, Orchid Digital Studio — Aug 2023 – Jan 2024
Kochi, India

- Performed functional and smoke testing on 3 client websites across Chrome, Firefox and Safari.
- Learned test case design techniques, including boundary value and equivalence partitioning.

## SKILLS
